

Yoshifumi Konishi
Professor, Faculty of Economics
Keio University
E-mail: ykonishi**at**econ.keio.ac.jp

CURRENT POSITION

Primary

Professor, Faculty of Economics, *Keio University*, 2020 – present

Fields of research: Empirical Microeconomics, Environmental Economics, Applied Econometrics

Research interests: Emissions Market, Energy, Economic Geography, Transportation

Other Concurrent Positions

Adviser, *University of Tokyo Economic Consulting*, 2021 – present

Adjunct Researcher, *Keio Economic Observatory*, 2024 – present

Panelist, *Nikkei Economics Panel* (a panel of 50 economists in Japan), 2024 – present

Research Fellow, *Tokyo Center for Economic Research*, 2014 – present

Editorial Council, *Environmental Economics and Policy Studies*, 2026 – present

PREVIOUS POSITIONS

Visiting Scholar, Australian National University, 2026.8

Research Fellow, *Mitsubishi Economic Research Institute*, 2023 – 2024

Associate Professor, Dept. of Policy and Planning Sciences, *Univ. of Tsukuba*, 2017 – 2020

Visiting Associate Professor, School of Economics, *Univ. of British Columbia*, Feb – Mar 2016

Visiting Scholar, Institute of Economic Research, *Hitotsubashi University*, 2016 – 2017

Research Associate, *Waseda University*, 2016 – 2024

Research Member, *Research Institute of Economy, Trade, and Industry*, 2018 – 2021

Associate Professor of Economics, Faculty of Liberal Arts, *Sophia University*, 2012 – 2017

Assistant Professor of Economics, Faculty of Liberal Arts, *Sophia University*, 2010 – 2012

Assistant Professor of Economics, Dept. of Economics, *Williams College*, 2008 – 2010

Business Analyst, Investment Research Department, Goldman Sachs & Co., 1999 – 2001

EDUCATION

University of Minnesota, Ph.D. Applied Economics, 2008

Fields: Applied Microeconomics, Environmental Economics, Applied Econometrics

Committee: Jay Coggins, Stephen Polasky, Thomas Holmes, K. William Easter

AWARDS AND HONORS

Outstanding Publications Award, <i>Society for Environmental Economics & Policy Studies</i>	Autumn 2023
Fulbright Scholarship, <i>Japan-US Educational Commission (JUSEC)</i>	2002 – 2004
Graduate Research Writing Award	Spring 2007
<i>Center for International Food and Agricultural Policy (CIFAP)</i> , <i>Univ. of Minnesota</i>	
Departmental Fellowship, Dept. of Applied Economics, <i>Univ. of Minnesota</i>	Spring 2006
Taraknas Das Foundation Award, <i>University of Pittsburgh</i>	Spring 1999

 9. Konishi, Yoshifumi, A Review of Empirical Analyses on Japan’s Vehicle CO₂ Control Policies: Toward An Effective Environmental Policy Design, *Statistics* (2020)
 10. Konishi, Yoshifumi, Economics of Transportation and Environment. In *The Frontiers of Environmental Economics*, edited by Toshi Arimura, Hajime Katayama, and Shigeru Matsumoto. Tokyo: Nippon Hyoron Sha (2017)

OTHER PUBLICATIONS*

Yoshifumi Konishi, Jay Coggins, and Steven Taff, *Vermillion Thermal Trading Initiative: The Concept and Design of Market Structures*, Univ. of Minnesota, 2007, a report submitted to U.S. Environmental Protection Agency

Kunihiko Shiohara, Yoshifumi Konishi, and Yuki Kimura, *Measuring Enterprise Value*, Goldman Sachs Investment Research: Tokyo, 28 pages, March 2001 (published in both Japanese and English)

Kunihiko Shiohara, Yoshifumi Konishi, and Yuki Kimura, *Coping with Change: A Synthesis of Japanese Auto Industry*, Goldman Sachs Investment Research: Tokyo, 114 pages, December 2000 (published in both Japanese and English)

WORK IN PROGRESS

1. Roads and the Economic Geography of Pollution: Evidence from Japan (with O. Akari)
2. Storing Power: Market Constraint Meets Market Power (with. H. Matsushima)

DISCUSSION PAPERS/CONFERENCE PAPERS

1. Income-based or Place-based? Carbon Dividends under Spatial Distribution of Automobile Demand (2024) (with S. Kuroda) *Keio-Institute for Economic Studies Discussion Paper Series DP2024-019*
2. Do Winners Win More from Transport Megaprojects? Evidence from the Great Seto Bridges in Japan (2024) (with A. Ono) *Keio-Institute for Economic Studies Discussion Paper Series DP2024-018*
3. Intra-industry Reallocations and Long-run Impacts of Environmental Regulations (with Nori Tarui) *University of Hawai'i Department of Economics Working Paper 13-7* (2013)
4. White Collar Exemption: Panacea for Long Work Hours and Low Earnings? (with T. Hasebe, K. Shin, S. Managi) *RIETI Discussion Paper 18-E-002* (2018)

EXTERNAL RESEARCH GRANTS

PI, Japan Society for the Promotion of Science, Grant-in-aid for Scientific Research B, "Environment, Transportation, and New Economic Geography" 2021-2025, ¥12,610,000

Co-PI, Japan Society for the Promotion of Science, Grant-in-aid for Exploratory Research, 2019-2022, ¥5,000,000 (PI: K. Ushijima)

Co-PI, Japan Society for the Promotion of Science, Grant-in-aid for Scientific Research, 2019-2023, ¥17,160,000 (PI: K. Ushijima)

PI, Japan Society for the Promotion of Science, Grant-in-aid for Scientific Research, "Incentive Design and Structural Estimation of Demand for Car Ownership and Utilization" 2018-2021, ¥4,420,000

PI, Japan Society for the Promotion of Science, Grant-in-aid for Young Scientists, "Theoretical and Empirical Analyses on the Long-run Impact of Environmental Regulations on Industry Dynamics" 2013-2014, ¥1,560,000

Co-PI, Japan Society for the Promotion of Science, Grant-in-aid for Challenging Exploratory Research, "Integrated Model of Economy and Water Quality" 2013-2014, ¥3,900,000 (with Masayasu Irie, Osaka University)

PI, Japan Society for the Promotion of Science, Grant-in-aid for Young Scientists, "Theoretical and Empirical Analyses on the Possibility of Water Quality Trading" 2011-2012, ¥2,470,000

PROFESSIONAL SERVICES

Editorial Council, Environmental Economics and Policy Studies

Referee for:

American Agricultural Economic Association Selected Papers 2008, 2009, China Economic Review, Contemporary Economic Policy, Energy Economics, Environment and Development Economics, Environmental Economics and Policy Studies, Environmental and Resource Economics, Journal of the Association of Environmental and Resource Economists, Journal of Behavioral and Experimental Economics, Journal of Economics, Journal of the Economics of Ageing, Journal of Environmental Economics and Management, Journal of Environmental Economics and Policy, Journal of Environmental Management, Journal of Environmental Planning and Management, Journal of Risk and Uncertainty, Land Economics, Nature Communications, Review of Environmental Economics and Policy Studies (in Japanese), Review of Industrial Organization, Resource and Energy Economics, University of Toronto Press, Water Economics and Policy, Water Resources and Economics, Water Resources Research, World Congress of Environmental and Resource Economists, National Research and Development Agency (Chile)

Selection Committee for:

The Fulbright Scholarship, Japan-US Educational Commission (JUSEC), 2013, 2021
Japan Society for the Promotion of Science, Grant-in-aid for Scientific Research B, 2019-2021

Local Organizing Committee, Japanese Economic Association Annual Meeting, 2015

Program Committee, Society for Environmental Economics and Policy Studies
Annual Meetings, 2016, 2017

INVITED LECTURES FOR BROAD AUDIENCE

Konishi, Yoshifumi. "Economics of Battery Storage and Australia's Electricity Market" **Mitsubishi Economic Research Institute** (2026)

Konishi, Yoshifumi. "Japan's Green Transformation (GX) Policy: Problems and Solutions from An Empirical Economist's Perspectives," **Mizuho Financial Securities Co.** (2024)

Konishi, Yoshifumi. Short Lectures on "Empirical Research for Evidence-based Policy Making" **Ministry of Internal Affairs and Communications** (2023)

Konishi, Yoshifumi, "Recent Trends in Difference-in-differences Estimation: Problems and Solutions" **Japanese Economic Association** (co-organized by Science Council of Japan) (2023)

Konishi, Yoshifumi, "Incorporating Non-market Environmental Values in Competition Policies" **Japan Fair Trade Commission** (2023)

Konishi, Yoshifumi, "Empirical Microeconomic Approach to Design of Climate Mitigation Policies" **Policy Research Institute, Ministry of Finance Japan** (2022)

TEACHING EXPERIENCES

Undergraduate Courses

Economy and Environment, Keio University, Spring 2020 – present
Environmental Economics, Keio University, Spring 2020 – present
Public Economics, University of Tsukuba, Spring 2018 – Spring 2020
Empirical Microeconomics, Fall 2018 – Fall 2019
Principles of Microeconomics, Sophia University, 2010 – Fall 2016
Public Economics, Sophia University, Spring 2011 – Fall 2016
Industrial Organization, Sophia University, Fall 2011 – Fall 2016
Economic Development, Sophia University, Fall 2013
Economics of Natural Resources and Environment, Sophia University, 2010 –2016
Price and Allocation Theory (Intermediate Micro), Williams College, 2008 – 2010
Economics of the Environment, Williams College, 2008 – 2010

Graduate Courses

Environmental Economics, Keio University, Spring 2020 – present
Statistical Analysis, University of Tsukuba, Fall 2017 – Spring 2020
Development Theory and Policy, Sophia University, 2011 – 2013
Environmental Policy and Natural Resource Management, Williams College, Spring 2009
Mathematics for Economists, University of Minnesota, Summer 2005 and 2007
Environmental Economics and Public Policy, Sophia University, Spring 2013 – Fall 2016

PROFESSIONAL AFFILIATIONS

American Economic Association (AEA), Member
Association of Environmental and Resource Economists (AERE), Member

Japanese Economic Association (JEA), Member
Society for Environmental Economics and Policy Studies (SEEPS), Member
